

## Harrow: West Side Story

Regeneration has been focused on the East, but this is now shifting to the West

**'Heart of Harrow' one of London's first Housing Zones [GLA]:**  
Housing is crucial to meet demand posed by Harrow's increasing numbers

With talk of HS2 and Crossrail, West London could see new infrastructure, with well-connected Harrow at the heart of developments.  
[James Cracknell]

The quality and range of housing, schools and open spaces attract all ages

Funding has been pledged to make Harrow-on-the-Hill Station step-free and accessible to all
