

*I enjoy working for a relatively small authority where you can develop **good working relationships** with people in other teams and services.*

I appreciate the **availability of training and support to develop your career.**

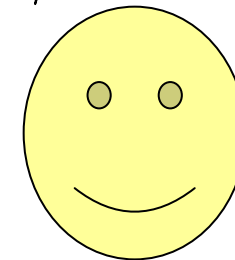

Line managers are **friendly and approachable** and **want to listen to your ideas to develop.**

It's been great working for Harrow, the **staff are friendly and relaxed** and the **managers are very approachable..**

Harrow is busy like everywhere else, but **it is the small things that make the difference** - such as receiving **positive feedback** for doing a task well. It helps to cope with the challenges, when my **effort is appreciated.**

*I have valued all the **learning opportunities** I have had whilst working in Harrow and **felt supported during my ASYE year.***
